ESCAPE Classes

Ages 6-9

Fantastic Fairy/ Frog Homes

Build a fairy or frog home to attract the wee folk using materials collected from nature.

Fun Food

(For ages 6-9 the week of July 19-23, 9 a.m. -12 p.m., at NLC only)

Let's get in the kitchen and create some good healthy meals, snacks and drinks. Make yummy samples and learn kitchen basics.

Lab Rats

Conduct experiments as you try to uncover the mysteries behind several scientific myths. Get out those goggles and lab coats and get ready for some summer science fun!

Reading Really Rocks

Read books in a group setting and do hands-on projects, activities and crafts centered on the story. Enjoy a different themed story every day.

Ages 6-12

Bring on the Bling!

Do you love glitter, stones, fabric paint and all things with glitz? Learn different ways to accentuate accessories, sneakers, jeans or a favorite hat or bag.

Recycled Renoir

Future conservationists and art lovers will enjoy letting their creativity help them go green. Use recyclable products to make cool projects such as recycled tin man wagons and easy weave memory blankets.

Ages 8-10

Don't Doodle! Draw!

Bring a photo of the family pet or any favorite animal and learn how to draw it! We will start by using vine charcoal and finish with oil crayons. Take home two finished pictures.

Ages 8-12

Fun Food

Let's get in the kitchen and create some good healthy meals, snacks and drinks. Make yummy samples and learn kitchen basics.

Simple Spanish for Senores and Senioritas

Hola! Come and have fun learning Spanish! Play games, create some Spanish art and learn about Spanish culture.

Ages 9-12

Diggin' Digits

Get ready to dig into some games and activities specially designed to help master those math mysteries!

Dream Machines

Design and draw some interesting vehicles that move through air, earth, water or fire! Using color, draw the details that help the machine move like rotors, fins, wheels, giant screws or whatever you can imagine.

Extreme Experiments

Always wanted to make and erupt a volcano or design your very own solar cooker? Different experiments every day.

Ages 13+

Culinary Challenge

Explore a variety of cooking techniques including outdoor cooking, appetizers, desserts, and quick meals through hands-on preparation in our kitchen.

Project Runway

Begin building some basic sewing skills and quickly move on to an apparel piece. The final day will include a fashion show.

Techno Teens

A variety of hands-on computer activities including games and unique options for cell phone and iPod use. Explore YouTube, Skype and other available functionalities beyond the basics, right at your fingertips.

Each class meets for one week (M-F), either in the morning or afternoon. You pay only \$79 per weeklong class.

Take a 10% discount on two or more classes.

If attending a morning *and* an afternoon class, students are welcome to bring a brown-bag lunch to eat between classes.

Act now! Space is limited. Register by June 30th and receive a free ESCAPE t-shirt!

Register either online at www.eastconn.org/CommunityEd or call Joan at 860-779-3770.
